

TABEL NR. 3
CU DATELE PROCESATE PE BAZA ADEVERINTELOR DE VENIT
PÂNĂ LA 18.01.2011, PENTRU RECALCULAREA PENSIILOR MILITARE
PESTE 3000 LEI ALE BENEFICIARILOR CU O CARIERĂ MILITARĂ
COMPLETĂ

NOTĂ: Diminuările din luna ianuarie 2011 față de luna decembrie 2010 sunt cauzate de lipsa, din adeverințele de venit, a unor perioade lucrate și care nu au fost identificate până la momentul emiterii deciziilor și de cariera militară incompletă. În perioadele care lipsesc din adeverințe, pensiile au fost calculate, potrivit prevederilor Legii nr. 119/2010, pe baza salariului mediu brut pe economie din perioadele respective.

Aceste decizii sunt provizorii, până la completarea cu datele care lipsesc, pensionarii urmând să primească retroactiv toate drepturile cuvenite, începând cu data de 1 ianuarie 2011.

Nr.crt.	Gradul militarului	Pensie în luna decembrie	Pensie recalculată	Creștere sau diminuare (lei)
